Boyertown, PA 19512

To Whom It May Concern:

As the Director of Information Technology Services for the Boyertown Area School District, I have had the pleasure of working with Wireless Training & Solutions for the last 2 years. I would like to take this opportunity to recommend Wireless Training & Solutions for your Wireless Field Service's needs.

I am truly confident that WiTS will continue to succeed in the Design Services and Wi-Fi Training fields. WiTS partners with industry leaders in multiple disciplines to deliver the results that his clientele require, ensuring there is a viable ROI on every dollar expended. Everyone I have worked with at WiTS conducts themselves as a consummate professional. In working directly with my staff and me, WiTS has proven to be a knowledgeable, take-charge company who is able to successfully develop plans, communicate these plans to my team then implement them in alignment with our needs both in the present and foreseen future.

It is for these reasons that I highly recommend Wireless Training & Solutions without reservation. WiTS's drive and abilities will truly be an asset to your organization. If you have any questions regarding this recommendation, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Scott D. Major".
